Product information

Moisture	12 ± 1 % (HA300-IR rapid drier)
Water activity (aw)	< 0,50
Texture	Dried berry
Colour	Dark blue
Processability	Absorbs some amount of water
Taste/Flavour	Typical fresh berry taste and flavor
Storage	at 15–20 °C; cool and dry place and protected from light
Maximum preservability	18 months from manufacturing date (properly stored)
Transport conditions	Do not freeze
Irradiation	Not irradiated
Contaminant residues	Complies with the limit values in the Commission regulation (EC) No 1881/2006
Pesticide residues	The product complies with the requirements of the Commission regulation (EC) No 396/2005.
Allergens	Does not contain allergens according the regulation (EU) N:o 1169/2011.
GMO	Not containing GMO or GMO- derived components. Not produced by using GMO- based technology
Halal	Suitable for Halal products
Kosher	Suitable for Kosher products
